

SECTION 00 45 14

BIDDER'S SAFETY RECORD

Refer to Section 00 21 13 Instructions to Bidders, Paragraph 1.11B Bidders Qualification Statement.

The Contractor's Responsibility includes its record of safe performance on construction projects, including, but not limited to, consideration of federal or state Occupational Safety and Health Administration ("OSHA") violations and work place fatalities, including OSHA citations under appeal in order for the City to find the entity to be Responsible and eligible for contract award.

Public Works' Safety Prequalification Form can be found in the digital version of these bid documents as a separate Microsoft Excel file titled "**Safety Prequalification Form.xlsx**". Bidders shall include the completed and signed Safety Prequalification Form along with all other associated documents with its bid package. See the Safety Prequalification Form for instructions.

Indicate if included with Bid:

- ☐ Safety Prequalification Form
- ☐ OSHA Form 300A
- ☐ Other documents as instructed on the Safety Prequalification Form (please list):

Note: The above Certification is part of the Bid. Signing the Bid Form shall also constitute signature of this Certification. Providing false information may result in criminal prosecution or administrative sanctions.

Bidder must submit this completed form with its Bid.
